*Installing crown moulding  
just got easier!*

*"Elegance  
in a Snap"*

Quick Clips™ patent pending  
©2006 Focal Point Architectural Products FP-0211B-0206

*This revolutionary system changes the way moulding is installed!*

The Quick Clips™ moulding installation system\* gives you the ability to install professional-quality moulding and create "elegance in a snap."

Installing crown moulding just got easier!

- Quick & easy installation
- No need to find studs
- No nail holes to patch on moulding
- Focal Point® corner blocks eliminate the need to miter corners
- Sturdy, light-weight moulding

Available in stock at select Home Depot stores or by special order at all Home Depot stores & Focal Point authorized dealers. Visit [www.focalpointproducts.com](http://www.focalpointproducts.com) to find a location near you.

\*Compatible with select Focal Point mouldings.
