

Quick Clips™

Moulding Installation System

Installing crown moulding just got easier!

“Elegance in a Snap”

2 Sizes Available:
5-7/8" Quick Clips™ 6-Pack
4-1/8" Quick Clips™ 6-Pack

The Quick Clips™ moulding installation system* gives you the ability to install professional-quality moulding and create elegance in a snap.

This revolutionary system changes the way moulding is installed.

- Quick & easy installation
- No need to find studs
- No nail holes to patch on moulding
- Focal Point® corner blocks eliminate the need to miter corners
- Sturdy, light-weight moulding

Visit www.focalpointproducts.com to find a dealer location near you.
